## Knowing God through Love

### WHAT ARE THE FACTS ABOUT GOD'S LOVE?

There is nothing like the love of God! It is the most overwhelming thing you encounter in your life. It is the greatest thing God ever did for any of us! The reason we can say that is because He loved us, He was moved to do everything else that He has done.

**1 John** is the great book of love. **Love is mentioned 46 times in 135 verses.** John is writing to put them in their place! And, as he does, he tells the rest of us about a great God with a great love for great sinners.

### What are the facts about God's Love?

**It Is Unspeakable** I can't understand it, or why, but I know I have experienced it and I can never be separated from it. **Romans 8:38-39**

**It Is Unending** "I have loved you with an everlasting love." God's love is eternal! **Jeremiah 31:3**

**It Is Unselfish** It asks for nothing in return! However, it leads man to repent and turn to God in love. **Romans 2:4**

**It Is Unmerited** It cannot be earned or deserved! His love is based in His grace. (Jesus and Jerusalem) **Matthew 23:37**

**It Is Unconditional** It is not based on what we can or cannot produce; it comes from the heart of God. Man can never reach a place when he will not be loved by God. God loved us first, He loved us anyway and He loves us eternally!
