

**Liverpool City Mission**  
**Prayer Diary | November 2021**

We praise the Lord for his protection and provision for Liverpool City Mission in these difficult times and we thank you for your continued prayer support.

The pandemic has changed the communities in which we work and given us opportunity to prayerfully consider how best to serve the Lord's mission in Liverpool.

We praise the Lord for the guidance and support the Trustees have been able to give our churches enabling them to reopen after all the COVID lockdowns and restrictions. Sadly, due to the condition of the building and the reduced congregation the Trustees in consultation with the church have made the difficult decision to close New Road Church. Please do pray for the former congregation of New Road Church as they begin meeting with the believers at AC Mitchell. Pray for continuing wisdom and grace, and praise God for the work that has gone on at New Road over many years and for those who came to faith there.

We're excited to be planning to launch 3 new Community Hubs as part of the outreach from our churches; please do pray for the Trustees as they develop our plans in this area. Additionally, pray for the Trustees as they look at a fresh vision for the Mission and consider the future options of the cafe.

We're delighted to be able to share these prayer points with you as our administrative team resumes operations. We hope to share more of our plans with you in our next prayer letter.
