Summer Edition 2026

As we step into the summer season, our hearts are filled with gratitude to God for His faithfulness and grace. Over the past months, we have witnessed the Lord moving powerfully through our churches as lives have been touched, communities have been served, and the hope of the Gospel has been shared with many souls. We thank God for every volunteer, every prayer offered, every act of kindness, and every opportunity to shine the light of Christ in our city.

As we look ahead, we do so with renewed faith and expectation. We believe that God is continuing to open doors for His people to reach the lost, encourage the broken, and proclaim the good news of Jesus Christ. May this newsletter remind us all that the labour in the Lord is never in vain, and may it inspire us to press on together in unity, love, and mission for the glory of God.

Our churches had various events and outreaches and we are always pleased to share them with you trusting that you are praying for us.

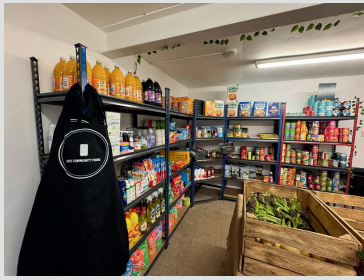

Hope Church have seen many conversations with people who have been regulars at Hope Community Fridge. They've seen mums asking for bibles, those practicing Islam receiving Arabic gospel literature. One of them told people at the mosque that he is a Christian. There is also support for peoples housing and mental health needs, & real opportunities to share how the gospel brings hope.

Dingle Mount Church have seen an increase in membership with new young families joining. They had an Easter & Mother's day event which was well attended and helped connect with unchurched families. They are looking forward to their Summer Fun Day outreach to the community.

Wellington Road mission church are still enjoying real fellowship but would value your prayers regarding health conditions of church members at this time. Their Luncheon club, & other activities are going well.

Gladness Christian Fellowship had a great time reflecting on the true meaning of the cross at Easter and celebrating Jesus Christ's resurrection on Easter Sunday. Following the Sunday service, they enjoyed lunch and good fellowship together.

AC Mitchell & Christian Life Centre are doing very well. They are thanking God for his love and how they are working together to reach out to their community. They are trusting God for greater impact in the community.
