Spring Edition 2026

As we step into a new spring season, we want to pause and say a heartfelt thank you to all our supporters, volunteers, and partnering churches. Your prayers, generosity, and faithful service made such a difference last year. Because of you, lives were touched, practical needs were met, and the love of Christ was demonstrated across our city in tangible ways.

We are deeply grateful for every act of kindness, every hour given, and every seed sown into this mission. Together, we have seen God at work.

As we look ahead to this new season, we do so with faith and expectation. Spring reminds us that God brings new life, fresh opportunities, and renewed strength. We believe He is leading us into another year of meaningful impact and continued growth.

Our churches had various events and outreaches during the Christmas season and we are really pleased with the turn out and the impact on people's lives.

AC Mitchell hosted the LCM Carol Service and it was a good time to meet up with the members from other mission churches.

Hope Church saw around 70 people come for their Carol Service with about 20% coming through their food shop, there were lots of people from Muslim background and it was great to share the gospel so clearly. They also had one of their members baptised before Christmas.

Dingle Mount Church held a very successful Christmas event with Deep Harmony Male Voice Choir in attendance. Nativity service was packed full with parents and their children and the gospel was presented after the children's presentation.

Wellington Road mission church had a harvest service distributing food to 12 families. In November shoe boxes were filled in support of Operation Christmas Child. They had their Christmas meal for chat and craft and their luncheon club members.

Gladness Christian Fellowship had a wonderful time of sharing gifts, fun and laughter. They had their Christmas lunch with members bringing food to share.

The photos on the back page captures some of the joyful events and outreach programs held in various churches. We truly have every reason to thank God for all that is taking place in our churches.

Thank you for standing with us. We look forward to all that God will do in and through us this year.
